### **RE: LETTER OF REFERENCE FOR MASKA BUILDERS**

TO WHOM IT MAY CONCERN:

Maska Builders, LLC of Jenks, Oklahoma assisted the Peoria Tribe of Indians of Oklahoma with a new construction and renovation project which was completed in March 2009.

The work performed under the contract was completed in a satisfactory and timely manner. Especially helpful was the on-site supervisor who monitored and coordinated the work of all the subcontractors to insure their performance met the high level of workmanship and quality of Maska Builders.

The project was completed within budget. Maska Builders were most cooperative in providing cost effective alternatives on any change orders outside the scope of the contract.

Both the principals of Maska Builders and their on-site supervisor were readily assessable for consultation and professional in their interchange with our tribal staff in addressing any issues and concerns. Their follow-up after completion of the project has been excellent.

The Peoria Tribe of Indians of Oklahoma would highly recommend Maska Builders to assist you with new construction or renovation projects.
